**Type:** Article in Journal  
**Author:** Dilworth, David A.  
**Title:** Peirce's Schelling-fashioned critique of Hegel  
**Year:** 2015  
**Journal:** Cognitio  
**Volume:** 16  
**Issue:** 1  
**Pages:** 57-86  
**Keywords:** Hegel, Anancasm, Schelling  
**Abstract:** Peirce's transformation of Kant's faculty psychology and the heuristic power of the reflective judgment, set within his declared Schelling-fashioned objective idealism, informed his career-long exposé of Hegel's a priori method of fixing belief as a paradigm of internal logical anancasm. Peirce's critique of Hegel remains as illuminative and relevant in the contemporary marketplace of ideas.  
**Language:** English
