**Type:** Article in Journal

**Author:** Pape, Helmut

**Title:** COMMENT

**Year:** 2015

**Journal:** Sign Systems Studies

**Volume:** 43

**Issue:** 4

**Pages:** 416-418

**Abstract:** The author discusses the paper featured by Francesco Bellucci which emphasizes the immediate object concept of the philosopher Charles S. Peirce. Topics discussed include the signs interpretations, the relationship between the immediate object and the semiotic cognition, and the speculative grammar of immediate and dynamic object of a sign.
