Type: Manuscript
Author: Peirce, Charles Sanders
Title: Proof of the Fundamental Proposition of Arithmetic
Manuscript Id: MS [R] 47
Year: 1890 [c.]
Abstract / Robin Catalogue:
Description: A. MS., n.p., [1890?], pp. 1-4.
The proposition to be proved: "... that the order of sequence in which the things of any collection are counted makes no difference is [in] the result, provided there can be any order of counting in which the count can be completed. "
Keywords: Finite Collection
Language: English
