

'Existence' (pub. 29.05.14-18:49). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from <http://www.commens.org/dictionary/entry/quote-answers-questions-about-my-belief-god>.

Term: Existence

Quote: I will also take the liberty of substituting "reality" for "existence." This is perhaps overscrupulosity; but I myself always use *exist* in its strict philosophical sense of "react with the other like things in the environment." Of course, in that sense, it would be fetichism to say that God "exists."

Date of 1906 [c.]

Quote:

Manuscript

Image:

A handwritten manuscript snippet in cursive ink on a light background. The text is a partial quote from Charles S. Peirce, discussing the use of the word 'exist' in a philosophical context. The handwriting is fluid and characteristic of Peirce's style. There is a small dark circular mark on the left side of the snippet, possibly a hole or a stain.
