'Replica' (pub. 13.03.18-12:34). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from http://www.commens.org/dictionary/entry/quote-p-l-0.

Term: Replica

Quote: ...the word 'the' occurs, on the average, twenty times on an English page (more

or fewer times, according to the style), and all these are so many occurrences of one and the same word. In that sense a word is a 'legisign.' But a legisign can only exists in such occurrences, which I term its *replicas*; and each of these

replicas is a suisign.
