---

**Term:** Physical Metaphysics

**Quote:** Metaphysics may be divided into (i) *General Metaphysics*, or Ontology; (ii) *Psychical*, or Religious, *Metaphysics*, concerned chiefly with the questions of (1) God, (2) Freedom, (3) Immortality; and (iii) *Physical Metaphysics*, which discusses the real nature of time, space, laws of nature, matter, etc. The second and third branches appear at present to look upon one another with supreme contempt.
