

'Ponecept' (pub. 19.07.15-12:03). Quote in M. Bergman & S. Paavola (Eds.), *The Commens Dictionary: Peirce's Terms in His Own Words. New Edition*. Retrieved from <http://www.commens.org/dictionary/entry/quote-telepathy-4>.

---

**Term:** Ponecept

**Quote:** It is a difficult question whether the serial principle permits us to draw sharp lines of demarcation between the percept and the near anticipation, or say the *antecept*, and between the percept and the recent memory (may I be permitted to call this the *ponecept*, a distant and dubious memory being perhaps quite another thing?), or whether the percept is at once but an extreme case of an antecept and an extreme case of a ponecept.
