

# *Potisign*

1908-12-24 | Letters to Lady Welby | CP 8.347

---

...Signs, in respect to their Modes of possible Presentation, are divisible [...] into  
A. *Potisigns*, or Objects which are signs so far as they are merely possible, but felt to be positively possible; as, for example, the seventh ray that passes through the three intersections of opposite sides of Pascal's hexagram.
