Category: Academic Meeting

Title: International Conference on Peirce's Logic and Philosophy

Description: The conference promotes the study of C. S. Peirce's logic and philosophy in China by international and Chinese scholars. Contributions are invited, but not limited, on the following topics:

- Peirce's logic
- Peirce's philosophy
- Pragmati(ci)sm; Pragmatist philosophy of science
- History of Modern Logic
- Philosophy of Logic
- Mathematical Logic
- Modal Logic
- Diagrammatic Logic

All submissions will be reviewed by members of the program committee. Accepted papers will be presented at the conference. Selected papers will be published in a journal.

Place: Guizhou Minzu University, Guiyang, China
